

International Conference on Algebra and Discrete Mathematics

January 08-10, 2018

## Title of the Paper

First Author<sup>1</sup>, Second Author<sup>2</sup> and Third Author<sup>3</sup>

<sup>1</sup> First Author Affiliations with mailing address

<sup>2</sup> Second Affiliations with mailing address

<sup>3</sup> Third Author Affiliations with mailing address

### Abstract

The abstract should summarize the context, content and conclusions of the paper in less than 200 words. It should not contain any references or displayed equations.

**Keywords:** Write maximum five keywords relevant to the topic.

**Subject Classification:** Write Mathematics Subject Classification numbers.
